

3/20/2020 -- Want to Help? Here's how... from [Alex Comeau, Communications Coordinator](#)

We would like to extend a big thank you for the overwhelming amount of support we have received over the past week. It is truly inspiring to see communities come together during these unprecedented times. Despite the closure of the school due to COVID-19, we are still fully committed to educating, encouraging and empowering individuals with intellectual disabilities so they may achieve their full potential and lead high-quality lives and participate meaningfully in society. We have put together a list of items needed in order to help continue our mission and are asking for your help. If you are able to, please consider donating an item. There is no such thing as too much or too little. For a complete list, [please click here](#). The list is constantly being updated, so check back for more items.

Items can be shipped to:

**The Guild for Human Services
521 Virginia Road
Concord, MA 01742**
