## ACTIVITIES

### Identifying Emotions

Match each situation to an emotion you would feel if this were to happen to you.  
Tell about another time you felt this way.

#### Situation

#### Emotion

You wake up late and only have five minutes before the bus comes.

You thought you lost your cell phone, but you found it in your jacket pocket.

You bought a package of gum at the store and were charged \$20 for it.

You were sure that you did poorly on a test, but you got a good grade.

You got in trouble for staying up late, but your brother did the same thing and did not get punished.

Surprised

Confused

Worried

Angry

Relieved
