Agenda

- Introductions and attendance
- Norm and purpose reminders
- Housekeeping
 - Parent involvement in the house and school
 - Thank you for adding ideas! These are great
 - [Family Participation Brainstorming](#)
 - Engagement Supply Closet: Donations will be accepted for engagement supplies for residences.
 - Parent “run” more details to come
 - Houses will pick an activity from this list and we will then work to schedule one per house to invite families. Parents brought good thoughts in terms of size of group and notifying families of who else will be attending. Names tags and being clear about who is assigned to which students, parents being given a “code word” for support or hand off. (This aligns to the bullet below).
 - Family Day: Family Appreciation Event to work with the development team. Thought is for a group of families to design an event with the development team for family appreciation day. TBD
 - Human Rights: Will host 2 annual trainings for all families every year as a standard.
 - QA: Coming to March meeting and so Annie will rearrange the agenda items

- Topic: IEP Early Adopter Update, Welcome Julie! Julie reviewed the new IEP form and the vision development update for the IEP. We shared some resources and videos of students' visions. This will be fully rolled out by school year 2024/2025
- Review of fundraising efforts and next steps
 - Letter in folder
 - Keep asking places and documenting your attempts
