

The Guild's Annual Awards Ceremonies

June 5-6, Westin Hotel, Waltham

Sponsor Opportunities

The Guild for Human Services hosts annual awards ceremonies where every individual's achievements are recognized and celebrated. Over two days and evenings, all 165 students and adults with intellectual and developmental disabilities are presented with an award to honor their specific achievements in increasing their skills and independence. They are joined by The Guild staff that support them and over 150 parents and guardians. A sponsorship helps The Guild celebrate the achievements of Guild students and residents by hosting four events over two days.
